Player Spotlight with #35 Hannu Toivonen

Toivonen was born on May 18, 1984 in Kalvola, Finland. Toivonen has a couple of memorable hokey events that stick out in his mind the first being selected to participate in the International Ice Hockey Federation's (IIHF) Under-20 Tournament, and the second was his first NHL game which took place during the 2005-2006 season with the Boston Bruins. Toivonen says that his parents and his wife have been the biggest influence on his hockey career because they support him no matter what. Toivonen spends his off season in Scarborough, Maine where he likes to spend time playing golf. After his hockey playing career ends, Toivonen would like to find a career that involves sports in some way.

(Editors Note: as of March 1, 2010 Toivonen along with defensemen Danny Richmond have been traded to AHL Rockford)

Player Spotlight with #10 Nicholas Drazenovic

Drazenovic was born January 14, 1987 in Prince George, B.C., which is also where he spends the off season biking, camping, hanging out with his dog Bruce, as well as spending time with his family. Drazenovic's most memorable hockey event was playing in the conference finals with the WHL's Prince George Cougars. Drazenovic's favorite meal is Chicken Fettuccini Alfredo, and his pre-game ritual includes relaxing by taking a nap, and listening to music to get him focused on the game.
